¶ Architects, Decorators and Builders are entirely familiar with the value of plaster and composition ornamentation. A lengthy discussion is unnecessary. ¶ The field of ornamentation is so large that it cannot be covered adequately by catalog. ¶ Our designing department is the equal of any you will find. ¶ If you have something in mind that we do not show, advise us and we will send original designs and prices. ¶ The sculpturing of our models are unsurpassed. Quality and workmanship on finished product is of the highest. ¶ Prices are lowest consistent with good workmanship.
